POUR LA GOUVERNANCE
DES PREMIERES NATIONS

The Centre helps restore First Nations.

we can assist your nation

We support First Nations as they seek to implement their right to self-governance and improve their day-to-day government operations.

The National Centre for First Nations Governance is the leader in delivering Nation rebuilding services to First Nations in Canada.

We are a non-profit organization governed and staffed by experienced and highly trained Aboriginal professionals. The Centre operates independently of Government and First Nations political organizations.

getting started

The Centre's regional offices are located in British Columbia, Prairies, Ontario, Quebec and the Atlantic. Centre staff look forward to working with you...

services

rebuilding our nations

The National Centre for First Nations Governance is at work in First Nations from the Atlantic to the Pacific.

FIVE PILLARS OF EFFECTIVE GOVERNANCE:

[The People](#) | [The Land](#) | [Laws and Jurisdiction](#) | [Institutions](#) | [Resources](#)

These five pillars of effective governance blend traditions and values of our respective Nations with the modern realities of self-governance. NCFNG uses the principles behind these five pillars to develop and deliver the services and tools that will help you restore your Nation.
